Schools need research to guide the recovery from COVID ...

It's invaluable for teachers to be fully involved in research and in applying results." Proponents of evidence-informed education have to be realistic about the limitations of research.

The Social Responsibility of Business is to Increase its Profits

The New York Times Magazine September 13, 1970 When I hear businessmen speak eloquently about the "social responsibilities of business in a free-enterprise system," I am reminded of the wonderful line about the Frenchman who discovered at the age of 70 that he had been speaking prose all his life. The businessmen

Definition of UKMEC 3 - the risks generally outweigh the benefits but

CONTENTS

This free magazine in searchable PDF format tries to solve these issues. It can be read online or offline, and archiving is easy. It is a throwback to a time when we focused on a single task which didn't involve numerous browser tabs screaming for our attention. My goal is to provide valuable text content over anything else.
